Honoring the Kalapuyan People We give thanks for the miracle of this sacred and beautiful land here in Dallas, Oregon where we ask for prayers for our common home, The Interfaith Secret Prayer Garden at the John Cobb Eco Farm. This was the homeland of the Kalapuyan people before the colonizers came and inflicted genocide to the native peoples, land and eco systems. We confess these sins and ask for forgiveness and promise to make amends. We apologize for all the harm many of our ancestors did to the indigenous peoples and the natural world in this place and in the America's. We commit to truth telling and working to make amends for the harm done.

Meditation: "...the Black Madonna is reaching out to us today as more people are recognizing that *black lives matter* and *women's lives matter* and *gay and transgender lives matter*... The Black Madonna leads the way, for She is the Universal Mother, fully accepting of the immense and praiseworthy diversity of our species... we are all descendants of Mother Africa and the African Mother who mothered our species..... The Black Madonna is cosmic, ...from the ancient story of a meteorite that struck the Earth and birthed the original Black Madonna..... The Cosmic Mother invites us to move beyond our Earth destroying anthropocentrism as a species to realize anew that we are part of and completely depending on and interdependent with a vast universe, one that is 13.8 billion years in its unfolding up to our time..... We do not live just in the Cosmos but in this special local neighborhood of the cosmos, the Earth. The Black Madonna is returning because She is a representative of Mother Earth..... Darkness is depth, and depth is darkness. We need to cease being afraid of

the dark and instead awaken the courage to explore the caves and caverns of not only the Earth but also our own selves, our own souls....the Black Madonna represents the return to mysticism, to the mysteries, to the depths of our lives and souls....depths of joy and depths of silence and grief.....” Matthew Fox in *Forward Healing Journey with the Black Madonna* by Alessandra Belloni

Reading “12 Step program for an Ecologic Civilization” Church For Our Common Home is God centered and guided and dedicated to Mother Earth. We work for an Ecologic Civilization with our 12 step program and we;

1. Share the truth that the current 6th extinction of life on Earth, the only one created by humans, is an invitation for transformation as a human species.
2. Share the history and human habits of dominant over relationships and commit to relationships of collaboration, partnership and co-creativity.
3. Make amends for our alienation and abuse of the natural world and our idolatry of scientism and rationalism using transdisciplinary reconnections of religion, art, psychology, ecology, etc.
4. Explore eco-feminist and process theology, celebrating God and Goddess language, symbols and relationships.
5. Study the teachings of Jesus and Mary Magdalene and their Church of Love highlighting the radical teachings and the way of doing unto the least of these, love of enemies and service to God not money, with newly found gnostic scriptures and the world’s ancient wisdom traditions.
6. Offer diverse spiritual practices to develop loving relationships with the natural world, Mother Earth and all creation.
7. Honor the invisible realms of dreams, prayer, intuition, parapsychology and imagination.
8. Celebrate the visual and performing arts, ritual making, beauty and creativity as divine spiritual practice.
9. Celebrate intergenerational community by intentionally including and honoring the very young and old.
10. Encourage consciousness raising with integration of body, sexuality, mind, spirit, feelings, intuition and imagination.
11. Work for social justice locally and globally in partnership with other organizations
12. Experiment with nontraditional church in order to create relevant, spirit filled and loving community.

(by John Thompson and Randy Scuggs) The Angel Gabriel from heaven came. His wings as white as snow, his eyes a flame. All hail said he, thou lowly maiden Mary, most highly favored lady, Gloria.All night all day angels watchin over me my Lord. All night all day, angels watchin over me. If I die before I wake, angels watchin over me my Lord. Pray my soul, the Lord will take, angels watchin over me, angels watchin over me..... Musical Prayers *I Talk to the Trees* (composed by Frederick Loewe and lyrics by Alan Jay Lerner from *Paint Your Wagon* adapted by Bonnie) I talk to the trees and they are listening to me. I talk to the stars, and they always hear me. The breeze has the time, to stop, and hear what I say. I talk to them all in love. We sing with chickens and ducks and they are cluckin g and quacking in song. We dance with cats and dogs, who teach us love and joy. We pray for goats and sheep here on the John Cobb Eco Farm. We pray for them all in love. and God's faithfulness to all generations.

Scriptures: Romans 1:19,20 Priests for Equality. The Inclusive Bible: The First Egalitarian Translation "For what is knowable about God is plain and obvious to everyone; indeed, it is God who has made it obvious to them. Though invisible to the eye, God's eternal power and divinity have been seen since the creation of the universe, understood and clearly visible in all of nature."

Gospel of Matthew 17:17b-20 "Bring the child to me." Then Jesus rebuked the demon and it came out, and the child was healed from that moment. The disciples then came to Jesus and asked, "Why couldn't we expel the demon?" Jesus answered, "Because you have so little faith (prayer and fasting.) The truth is, if you have even as much faith as the tiny mustard seed, you can be able to say to this mountain, 'Move from here to there,' and it will move. Nothing will be impossible for you." (later addition added prayer and fasting with the idea that we need practice. Please come walk the prayer stations and or come to Centering Prayer on Tuesdays)

Musical Response

Nearer, My God, to Thee

by Sarah Adams

Please pray during our Lenten worship asking God to guide Church for Our Common Home to discern God's will for us to work for peace and continue our vision of a Spiritual Eco Community and Eco Village.

Nearer, my God, to Thee, nearer to Thee! E'en though it be a cross that raiseth me,
Still all my song shall be, nearer, my God, to Thee. Nearer, my God, to Thee, nearer to Thee!

Though like the wanderer, the sun gone down, Darkness be over me, my rest a stone;
Yet in my dreams I'd be nearer, my God, to Thee. Nearer, my God, to Thee, nearer to Thee

There let the way appear, steps unto Heav'n; All that Thou sendest me, in mercy giv'n;
Angels to beckon me nearer, my God, to Thee. Nearer, my God, to Thee, nearer to Thee

Then, with my waking thoughts bright with Thy praise, Out of my stony griefs Bethel I'll raise;
So by my woes to be nearer, my God, to Thee. Nearer, my God, to Thee, nearer to Thee

Or, if on joyful wing cleaving the sky, Sun, moon, and stars forgot, upward I'll fly,
Still all my song shall be, nearer, my God, to Thee. Nearer, my God, to Thee, nearer to Thee
