Honoring the Kalapuyan People We give thanks for the miracle of this sacred and beautiful land here in Dallas, Oregon where we ask for prayers for our common home, The Interfaith Secret Prayer Garden at the John Cobb Eco Farm. This was the homeland of the Kalapuyan people before the colonizers came and inflicted genocide to the native peoples, land and eco systems. We confess these sins and ask for forgiveness and promise to make amends. We apologize for all the harm many of our ancestors did to the indigenous peoples and the natural world in this place and in the America's. We commit to truth telling and working to make amends for the harm done.

Lighting of the Black Madonna of the America's-- Our Lady of Guadalupe Candle Meditation: "Our Lady of Guadalupe manifests, symbolizes and activates the power of the people, in this case the power of the poor people. ...it is the poor Indian Juan Diego, whose conversion enables him to work with the poor, the marginalized and the indigenousif devotion to Our Lady of Guadalupe does not bring us closer to action and to solidarity with the cause of the poor and suffering, then the devotion is not authentically Guadalupana. This heart, love, relationship, and consciousness emerging from the poor, calls us to act on behalf of the poor." Jeanette Rodriguez *Our Lady of Guadalupe*

Dream Incubation for Lent "What should Church for Our Common Home do for Peace and Survival?"

Reading "12 Step program for an Ecologic Civilization" Church For Our Common Home is God centered and guided and dedicated to Mother Earth. We work for an Ecologic Civilization with our 12 step program and we;

1. Share the truth that the current 6th extinction of life on Earth, the only one created by humans, is an invitation for transformation as a human species.
2. Share the history and human habits of dominant over relationships and commit to relationships of collaboration, partnership and co-creativity.
3. Make amends for our alienation and abuse of the natural world and our idolatry of scientism and rationalism using transdisciplinary reconnections of religion, art, psychology, ecology, etc.

4. Explore eco-feminist and process theology, celebrating God and Goddess language, symbols and relationships.
5. Study the teachings of Jesus and Mary Magdalene and their Church of Love highlighting the radical teachings and the way of doing unto the least of these, love of enemies and service to God not money, with newly found gnostic scriptures and the world's ancient wisdom traditions.
6. Offer diverse spiritual practices to develop loving relationships with the natural world, Mother Earth and all creation.
7. Honor the invisible realms of dreams, prayer, intuition, parapsychology and imagination.
8. Celebrate the visual and performing arts, ritual making, beauty and creativity as divine spiritual practice.
9. Celebrate intergenerational community by intentionally including and honoring the very young and old.
10. Encourage consciousness raising with integration of body, sexuality, mind, spirit, feelings, intuition and imagination.

11. Work for social justice locally and globally in partnership with other organizations
12. Experiment with nontraditional church in order to create relevant, spirit filled and loving community.

Musical Prayers *I Talk to the Trees* (composed by Frederick Loewe and lyrics by Alan Jay Lerner from *Paint Your Wagon* adapted by Bonnie) I talk to the trees and they are listening to me. I talk to the stars, and they always hear me. The breeze has the time to stop, and hear what I say. I talk to them all in love. We sing with chickens and ducks and they are clucking and quacking in song. We dance with cats and dogs, who teach us love and joy. We pray for goats and sheep here on the John Cobb Eco Farm. We pray for them all in love. and God's faithfulness to all generations.

Scripture The Gospel of the Beloved Companion The Complete Gospel of Mary Magdalene, translated by Jehanne De Quillan

Mary Magdalene shares, “42:3 then Jesus showed me a vision in which *I saw a great tree that seemed to reach unto the heavens*; and as I saw these things, he said, ‘the roots of this tree are in the earth, which is your body. The trunk extends upward through the five regions of humanity42:13 and I felt my soul and all that I could see dissolve and vanish in a brilliant light in a likeness unto the sun. And in the light, I beheld a woman of extraordinary beauty, clothed in garments of brilliant white. The figure extended its arms, and I felt my soul drawn into its embrace, and in that moment I was freed from the world, and I realized that the fetter of forgetfulness was temporary.’”

Scripture Hebrews 11:1—12:29 Priests for Equality. The Inclusive Bible: The First Egalitarian Translation
 Faith is the reality of all that is hoped for; faith is the proof of all that is unseen. 2 Because of faith, our ancestors were approved by God. 3 By faith, we understand that the world was created by the word from God, and that what is visible came into being through the invisible.....**12 :1** Therefore, since we are surrounded by such a great cloud of witnesses, let us lay aside everything that impedes us and the sin that so easily entangles us. Let us run with perseverance the race laid out for us. 2 Let us not lose sight of Jesus, who leads us in our faith and brings it to perfection.

Musical Response

De Colores

De colores, de colores se visten los campos en la primavera
 De colores, de colores son los pajaritos que vienen de afuera
 De colores, de colores es el arco iris que vemos lucir
 Y por eso los grandes amores de muchos colores me gustan a mí. (repeat last line)

All the colors, all the colors, we see in the springtime with all of its flowers.
 All the colors, when the sunlight shines out through a rift in the cloud and its showers. All the colors as a rainbow appears when a storm cloud is touched by the sun, All the colors abound for the whole world around and for everyone under the sun. (repeat last line)
