We believe our current ecologic crisis is a call to awaken to the reverence of life and the truth that all nature is alive, sacred and our earth is one organic whole. We are interbeings, interspecies, and an interconnected whole. What we do affects everyone else. Every Sunday at 4 pm we acknowledge that we need one another more than ever before and commune with God called by many names. We celebrate the wisdom traditions from the East, West, indigenous peoples, new science as we study the teachings of Jesus, Mary Magdalene, the Bible as well as newly found gnostic gospels. I’m writing a letter of thanks to him and hope you will “add your names.” Hedges, “Maybe we are fooled by our own lies, but most of the world sees us, and Israel, clearly. They understand our genocidal proclivities, rank hypocrisy and self-righteousness. They see that Palestinians, largely friendless, without power, forced to live in squalid refugee camps or the diaspora, denied their homeland and eternally persecuted, suffer the kind of fate once reserved for Jews. This perhaps is the final tragic irony. Those who were once in need of protection from genocide now commit it.”

**Honoring the Kalapuyan People** We give thanks for the miracle of God’s creation here in Dallas, Oregon. We invite prayers of gratitude for this sacred place. This was the homeland of the Kalapuyan people before the colonizers came and inflicted genocide on the native peoples, the land, plants, animals and eco systems. We confess these sins and ask for forgiveness and promise to make amends. We apologize for all the harm many of our ancestors did to the indigenous peoples and the natural world in this place and in the Americas. We commit to truth telling and working to make amends for the harm done. Truth and reconciliation will set us free!

All night all day, angels watchin over me. If I die before I wake, angels watchin over me my Lord. Pray my soul, the Lord will take, angels watchin over me, angels watchin over me..... Down inside the earth with angels, down inside the earth, when I die hallelujah by and by, I'll return to Mother Earth.

**Walt and Bonnie:** News from the Secret Garden Retreat Center at the John Cobb Eco Farm

**Musical Prayers *I Talk to the Trees*** (composed by Frederick Loewe and lyrics by Alan Jay Lerner from *Paint Your Wagon* adapted by Bonnie, please unmute and sing with and for the animals)

I talk to the trees and they are listening to me. I talk to the stars, and they always hear me. The breeze has the time, to stop, and hear what I say. I talk to them all in love. We sing with chickens and ducks and they are clucking and quacking in song. We dance with cats and dogs, who teach us love and joy. We pray for goats and sheep here on the John Cobb Eco Farm. We pray for them all in love.

**Scripture Genesis Chapter 3 Priests for Equality. The Inclusive Bible: The First Egalitarian Translation**

19 By the sweat of your brow you will eat bread, until you return to the earth, just as you were taken from it. You are dust, and to dust you will return.”

**Ecclesiastes 3:** 18 I told myself that God tests us to teach us that we're just like the animals. 19 For our fate and the fate of all living things are the same; as one dies, so dies the other. We all have the same breath, and we have no advantage over other forms of life. It's all a mist of air. 20 We all go to the same place. All forms of life are from dust, and return to dust.

**Psalms 23 (For My Mother Bobby Ferin )** 1. The Lord is my Shepherd, I have all I need She makes me lie down in green meadows Beside the still waters, She will lead

2. She restores my soul, She rights my wrongs She leads me in a path of good things And fills my heart with songs

3. Even though I walk, through a dark and dreary land There is nothing that can shake me She has said She won't forsake me I'm in her hand

4. She sets a table before me, in the presence of my foes She anoints my head with oil And my cup overflows

5. Surely, surely goodness and kindness will follow me All the days of my life And I will live in her house Forever, forever and ever

6. Glory be to our Mother, and Daughter And to the Holy of Holies As it was in the beginning, is now and ever shall be World, without end. Amen

**Hebrew Chapter 2** Jesus likewise partook of that flesh and blood, that by dying .....(he can) free those whose fear of death had enslaved them all their lives.

**A Jewish Prayer for those who have died** O God, exalted and full of compassion, grant perfect peace in your sheltering, presence, among the holy and the pure, to the souls of our loved ones, who have departed from this world. Source of Mercy, bring them into Your presence. Let their souls be bound up in the bond of eternity. May their memory inspire us to live justly and kindly....May they rest in peace, and may they be bound up in the bond of eternal life. And let us say: Amen

**Nancy Mahoney: Dear Holy One,** We confess our sins, personally and collectively, those known to us and those unknown. Please help open our hearts to loving our enemies and to a conversion to your radical love. Amen

**Dear Christ Sophia,** We pray for our enemies. We pray for our country the United States to learn the truth, to experience a conversion as we wake up. May we make amends by making war no more. Please God give us courage to unmask, name and engage the powers and principalities of radical evil of our time. Amen

**Goddess of Love** seeing all hearts and minds you know when we are angry and rageful. You know our fears and hear our protest songs against those who profit from war. You know our lack of courage to stand up to injustice. No lives are mere collateral damage in your eyes. People of every flag are your people. You know how violence can lead to more violence when we want more than an eye for an eye and a tooth for a tooth. To often we don't consider loving our enemies, or, if we have we see it as impossible or worse, as naïveté. Goddess of love you see our trust in ever more destructive weapons and ever more probing surveillance in our efforts to stay safe. Give us a new vision of power that "is love implementing the demands of justice" (MLK.) without hypocrisy. Turn our hearts and our nation's heart toward love of your offspring, all the fruit of your womb, the human and the more than human. May we even see our enemies as your children and learn to not do to others what we would not want done to us. Amen (written by Nancy Mahoney)

**Martha: Prayer** (Please unmute and say in unison) **Our Mother Father God** who is within us we celebrate your many names. Your wisdom come. Your will be done, unfolding from the depths within us. Each day you give us all that we need. You remind us of our limits and we let go. You support us in our power and we act with courage. For you are the dwelling place within us, the empowerment around us and the celebration among us now and forever. Amen by Miriam Therese Winters

**Walt Rutherford:** Dear Holy One, you the God of passionate love, we ask for your grace tonight despite our pride. Your forgiveness despite our doubt. Most of all, we ask for your love to see us through these dark times. May we face whatever is to come in your divine will with courage and open hearts of acceptance. Amen

**Please respond God Help us. Hear our prayer.**

God, Please guide our Feeling Movement that connects and opens our hearts of many Americans who are refusing to see the truth of American aggression and crimes historically and presently. We pray for the people of Israel for they are mourning and in shock after a horrific terrorist's attack. **God help us. Hear our prayer.** Open our ears to hear the cries of 2.3 million Palestine suffering genocide and their one million Palestinian children, all with no food, water, fuel, medical care while they are being bombed unmercifully . **God help us. Hear our prayer.**

We have lost our moral soul as a nation. **God Help us. Hear our prayer.**

Give us courage to break out of denial, inertia and silence and give us a voice to speak the truth and share our despair. **God help us. Hear our prayer.**

Help us to know who we should speak to and how to express our feelings and our truth in love. **God help us. Hear our prayer.**

We confess that we have lived in denial and fear and not cared for the world's children who are the least of these. (Matthew 25:40) We ask for forgiveness. We give you thanks God of mercy and love for creation and every breath we take. Thank you for our instinct to care for children that humanizes us. Guide us to serve you and do your will to care for the human family and your creation during these dangerous times. Amen
